—Part 46, November	167
—Radio Bells Concrete, June	222
—Report increasing agstone sales at N.A.L.L. board meeting, August	180
Aggregates—(also see Crushed Stone, Sand and Gravel and Slag)	
—A.S.T.M. research, November	94
—Delivered in cardboard boxes, December	96
—A direct method of determining absorption and specific gravity of aggregates, May	78
—Indiana Mineral Aggregates Association, annual meeting, May	128
—Aggregates and construction volume establishes a new record, January	70
Aggregates, Lightweight	
—Barrett Industries, January	196
—Build new plant to make pretensioned concrete units, January	193
—Business outlook, January	78
—How Trulite is made from coal refuse, November	70
—Open up new market for wide variety of precast lightweight concrete products, November	165
—Perlite comes of age, July	66
—Technical trends, January	105
Agricultural Conservation Program	
—N.A.L.L. Convention, April	162
Agricultural Limestone	
—Agronomists speculate on soil bank, April	76
—Chattanooga Rock Products Co., May	80
—How might the soil bank plan influence the use of agricultural limestone, May	124
—How will the "soil bank" affect limestone sales?, April	85
—Indiana Mineral Aggregates Association, annual meeting, May	128
—Intensify farming under soil bank plan, April	84
—John W. Karch Stone Co. increases output, October	134
—Lime and the "soil bank," April	82
—Lime and the soil bank program, April	83
—Look to the unlimed fields, April	84
—N.A.L.L. 11th annual convention, April	162
—Plant meeting, August	180
—Plan to build up soils, May	121
—The soil bank program, May	122
—What about lime and fertilizers in 1956?, April	81

—In Denver, June	234
Agronomists Speculate on Soil Bank and Its Effect on Agstone Industry , April	76
Agstone and Stone Sands for Expanding Market , May	80
Allentown Portland Cement Co. , Allentown, Penn., new administration building, December	90
Alpha Builds Good Feeling Through This Real Service Aid , September	60
Alpha Portland Cement Co. , Cementon, N.Y., plant, January	86
—Engineering Aids, September	60
American Concrete Agricultural Pipe Association , annual meeting, June	234
American Concrete Institute	
—Atlanta, Ga., regional meeting, February	182
—Annual convention, May	172
American Concrete Pipe Association	
—Annual convention, May	180
—Annual short course school, January	202
American Institute of Mining and Metallurgical Engineers , Regional meeting, Seattle, May	98
American Mining Congress , November	101
American Society for Testing Materials	
—Pacific area meeting, November	94
Andersen Sand and Gravel Co. , Saginaw, Mich., June	214
Anderson, B. L. Inc. , Lawrence, Kansas August	168
Anderson Concrete Corp. , Columbus, Ohio November	165
Are You Fumbling Your Management Relations? December	82
Arizona Sand and Rock Co. , lubricating practices, May	88

Atlantic Perlite Co. , Washington, D.C. plant, July	66
Autoclave Building Products Association	
—50th annual convention, June	238
Autoclaves (see Concrete Products)	
Autoclave Producers Discuss One-Phase vs. Two-Phase Curing , June	238
—Autoclaves Boost Texcrete Production, July	146
Automatic Batching Cuts Costs at Jacksonville, Fla. , Plant, December	206
Automatic Controls Increase Cement Plant Efficiency , May	84
Automatic Sampling—Technical trends , January	83
Automatic Weighing Stops Waste in Concrete Block Plant , February	177
B	
Barrett Industries , San Antonio, Texas, January	196
Basalt Rock Co. Inc. , Napa, Calif., January	193
Batching	
—Automatic batching cuts costs, December	208
—Electric controls speed up batching, December	194
—Speed up batching, June	214
Barton Contracting Co. , Minneapolis, Minn., June	118
Becker County Sand and Gravel Co. , Lillington, N. C., plant, June	80
Bituminous Mix Plants	
—Barrett Industries, January	196
—Boost production in lightweight slag plant, March	100
—Marin Rock & Asphalt Co., February	58
Black Gold from Sand and Gravel Deposit , July	92
Blasting	
—Efficient drilling and blasting overcome tough quarry conditions, December	108
—Millisecond blasting reduces plant down time, September	92
Blend Six Basic Sizes To Meet 150 Specifications , February	60
Boost Bituminous Mix Production in Lightweight Slag Aggregate Plant , March	100
Boost Quarry Production To Meet Increasing Demands for Lime , June	101
Build New Plant To Make Pretensioned Concrete Units , January	193
Builders Supply Corp. , Phoenix, Ariz., June	211
Bundy Hill Gravel Co. , Hillsdale County, Mich., August	174
Business Conditions—N.C.S.A. convention , April	116
Business Outlook	
—Aggregates and construction, January	70
—Cement production, January	120
C	
Cable Belt Conveyor for Slag and Coal , September	96
Cadillac Asphalt Paving Co. , dust collecting system, March	70
Calaveras Cement Co. , San Andreas, Calif., plant, drilling practices, March	74
California Portland Cement Co. , Creal, Calif., plant, August	78
Canada Cement Co. , Ft. Whyte plant, August	94
Canada Cement's Largest Kiln Doubles Capacity of Ft. Whyte Plant , August	94
Carbonation of Lime Patties To Produce High Grade Building Units , Part 1, August	182
Part 2, September	84
Cast Cored Panels with Vertical Mold , April	257
Casting Long-Span Prestressed Concrete Channel Slabs , March	149
Celotex Corporation Doubles Gypsum Plant Capacity at Port Clinton , November	62
Cellular Concrete	
—Russia's experiments, September	147
Cement—(also see Cement Plants)	
—A.S.T.M. research, November	94
—Control of lime balance in portland cement clinker, August	164
—German Manufacturers' 1956 meeting, summaries of technical papers, October	166
—Ike's highway program—what it means to the cement industry, August	84
—Industry Booming on Pacific Coast, August	144

—Processing anhydrite for cement and sulphuric acid, June	164
—Requirements in ready-mixed concrete industry, January	214
—Rocky's Notes, April	19
June	23
—Research on cement clinker and concrete, February	86

—Riverside Cement Co., Crestmore, Calif., mining operation, August	168
—Russians double output, October	72
—Slurry test laboratory, February	122
—Symposium on chemistry of cement, Part 3, Rocky's Notes, January	53
Part 4, February	35
Part 5, March	17
—Time-saving cement analysis, March	114
—Brief process, June	96
Cement Clinker Capacity Will Reach 368 Barrels at end of 1956 , January	120
Cement Cooling During Clinker Grinding , October	118
Cement Distribution Plant Served by Barges , March	72
Cement Industry Expansion—How Far? , August	74
Cement Plants	
—Alpha Portland Cement Co., January	86
—Calaveras Cement Co., March	74
—California Portland Cement Co., August	78
—Canada Cement Co., August	94
—Diamond Portland Cement Co. uses synchronous motor starters, May	98
—Inland Cement Co. Ltd., October	80
—Lone Star Cement Corp., August	120
—Louisville Cement Co., May	84
—Marquette Cement Manufacturing Co., July	82
—Pittsburgh Plate Glass Co., Columbia Cement Division, December	78
—Southwestern Portland Cement Co., Victorville, Calif., September	71
Central-Controlled Sand and Gravel Plant Has Three Crushing Stations , March	60
Centralized Radio Dispatching Boosts Efficiency , November	155
Changes in Crushing and Haulage Double Quarry Production , October	134
Chattanooga Rock Products Co. , Chattanooga, Tenn., May	80
Cincinnati Ready-Mix Firm Cuts Cost \$18,500 a Year Through Use of a Modular System of a Conveying , October	211
Cinder Block, Inc. , Detroit, Mich., August	257
Concrete Building Units Co. , Kansas City, Mo., February	199
Concrete	
—Allentown's new office—showcase for concrete, December	90
—American Concrete Institute, annual convention, May	172
—regional meeting, February	182
—A.S.T.M. research, November	94
—Fluorine Gas Makes Concrete Chemical-Resistant, August	263
—Prestressed Concrete Institute, 2nd annual meeting, July	150
—Proportioning System, J. P. Loomis Concrete & Supply Co., July	143
—Rocky's Notes, April	19
Rocky's Notes, May	23
—Sands and cements affect drying and shrinkage cracks, October	226
—Vermiculite concrete roof tile, May	165
Concrete Has a Big Place in Farm Construction , December	190
Concrete Masonry	
—N.C.M.A. 36th annual convention, March	156
—Research program, March	167
—N.R.M.C.A. 26th annual convention, April	95, 237
Concrete Materials and Construction Co. , crushed stone plant, Eskridge, Kans., July	72
—crushed stone plant, Ottawa, Kans., December	92
Concrete Pipe	
—A.C.P.A. annual convention, May	180
—No-joint concrete pipe poured continuously in trench, May	170
Concrete Pipe Plants	
—J. E. Evans Concrete Products, Inc., September	162
Concrete Products	
—Autoclave Building Products Association, 50th annual convention, June	238
—Business review for 1955, January	207
—Illinois Brick Co. goes to autoclaves, November	158
—Insulated kilns cut fuel cost 50 percent, December	266
—Open up new market for wide variety of precast lightweight concrete products, November	165
—Russia's experiments with autoclaved foamed silicate products, September	147
—Speed up curing with high-capacity autoclaves, August	257
—Technical trends, January	84
Concrete Products Industry Marks up a New Sales Record , January	207
Concrete Products Plants	
—Barrett Industries, January	196
—Basalt Rock Co. Inc., January	193
—Builders Supply Corp., June	211
—Cinder Block, Inc., August	257
—Concrete Building Units Co., February	199
Corp., February	179
—Crowe-Gulde Cement Co., August	282

- Picketing for subcontractor clause ruled illegal, September 23
- Sand and gravel haulers squeezed out of contract by union, March 19
- Supreme court decision on labor racketeering, June 27
- Striking teamsters resume work in southern California, February 37
- Written exams for promotion not in contract, February 37

Lime

- Business Outlook, January 78
- Carbonation of lime putties to produce high grade building units, Part 1, August 182
- Part 2, September 84
- Control of the lime balance in portland cement clinker, August 164
- Effective blasting reduces plant down time, September 92
- Finding heat expenditure per ton rotary kiln lime, February 57
- N.L.A., 54th annual convention, June 122
- N.L.A. operating division meeting, December 128
- Synthetic silicates from Diatomite and lime, November 88
- U.S. Lime Products Corp. boosts production, June 101
- You can improve rotary lime kiln "capacity," October 84
- Lime and the "Soil Bank," April 82
- Lime and the Soil Bank Program, April 83
- Lightweight Concrete Units, January 193
- Lime Producers Look for Big Market in Soil Stabilization, June 122
- The Little Accidents Are Important, October 138
- Livingston Rock & Gravel Co. Inc., Los Angeles, Calif., February 180
- Lone Star Boosts Bonner Springs Capacity 60 Percent, August 120
- Lone Star Cement Corp., Bonner Springs, Kans., plant, August 120
- Look to the Unlimed Fields, April 84
